

Why Should REALTORS® Join YPN?

A Look at Key Member Benefits

- **Exclusive invitations to YPN events.** YPN events are a fun way for members to meet other real estate professionals from around the country, build a referral network, and learn about new and free resources from the NATIONAL ASSOCIATION OF REALTORS®.
- **Stay abreast of industry happenings.** Through a lively blog, an information-packed Web site, and networking events, members stay in the loop on hot issues facing the real estate industry. YPN also has special educational sessions at REALTOR® conferences that address strategies for success in real estate.
- **Have your own sounding board.** Young professionals have unique challenges in real estate-and they also face challenges shared by all practitioners. By belonging to a network of peers who face similar issues, they can bounce ideas off of one another and provide support to each other.
- **Get involved.** Many people who are new to the industry want to get involved with their local, state, or national association of REALTORS®, but they either don't know how to go about it or they find it too intimidating. YPN encourages them to explore leadership opportunities across the board.
- **No Age Restrictions.** While most members of YPN are under 40 (based on our survey results), there is no age restriction whatsoever. Any REALTOR® who thinks he or she would benefit from membership is welcome to join.
