

ECAR YPN Bowling for Back to School Event a Success!

Recently, the Eastern Connecticut Association of REALTORS® Young Professionals Network (YPN) Committee held their 2nd “Bowling for Back to School” event at High Rollers Luxury Lanes & Lounge at Foxwoods Resort Casino. The goal for this event was to collect and donate school supplies that would help less fortunate families send their child(ren) back to school with the essential items needed for the school year.

This year the YPN committee selected Uncas Elementary School in Norwich, CT as the recipient of the school supplies collected.
